

How To Order

Important Notes

a) Door is viewed opening towards you when choosing required configuration.

b) The kit dictates the height, the bottom/top track length dictates the width.

1 Tick the Bi-Fold kit in the colour and number of door folds you require on the Bi-Fold Order Form

(Kits include Locking Gear Mechanism, Wheels, Hinges & Bi-Fold Handles)

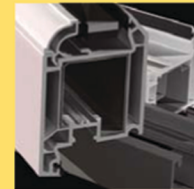

2 Tick the bottom track size part that you require

3 Tick the top track size part that you require

4 Tick the door weather strip that you require

5 Tick the top & bottom track cover size that you require

Send in your completed form to Synseal customer service and we will advise you of delivery times and stock availability. (Terms & Conditions apply)
